This exploded view diagram illustrates the assembly of a mechanical component, likely a valve or actuator. The main body (1) is shown at the bottom, with various ports and mounting points. Key sub-assemblies include a top cap (12) with a gasket (13) and a central shaft (14) with a nut (15) and washer (16). A long spring (18) is shown above the main body. A side assembly (34) includes a lever (43) and a handle (44). A bottom assembly (35) includes a lever (43) and a handle (44). The diagram uses dashed lines to show the alignment and assembly sequence of the parts, which are numbered 1 through 55.
